

REID BANKS

crbanks07@gmail.com | 479-530-7609 | Fayetteville, AR

EDUCATION

University of Arkansas — Fayetteville, AR

Expected May 2029

Bachelor of Science in Industrial Engineering | GPA: 3.27

EXPERIENCE

Staff Member

May 2025 – Present

Country Club — Springdale, AR

- Delivered consistent, high-quality service in a fast-paced environment, balancing responsibilities alongside a full engineering course load
- Built strong communication and time-management skills through direct interaction with members and staff

PROJECTS & COMPETITIONS

Project Power — LEGO Robot Challenge

Top 10% of Class

- Programmed a LEGO robot in a team setting to autonomously complete tasks on a competition task board, placing in the top 10% of the class

TSA Coding Competition — State Level

3rd Place

- Placed 3rd out of competitors statewide in a timed programming challenge testing algorithmic problem-solving and code efficiency

Product Design Competition — Yum Yo's Cabinet Redesign

Winning Design

- Designed a new product display cabinet for Yum Yo's; design was selected as the winning entry and implemented in-store

LEADERSHIP & ACTIVITIES

Squad Leader, Army ROTC

Aug 2025 – Present

- Lead and mentor a squad of underclassman cadets, overseeing training, accountability, and development
- Volunteer regularly with ROTC for community service, including post-game stadium cleanup after Arkansas basketball games, campus trash pickup, and high school recruiting visits

Member, Institute of Industrial and Systems Engineers (IISE)

University of Arkansas Student Chapter

SKILLS

Programming Languages: Java, Python, R, Scratch
